**4. Wording of your choice describing why someone should come to your farm. Keep it short and concise**

---

---

---

**5. Provide attention getting picture for your Home page.** Please note on the back of the picture "Home Page". (No pictures can be used from the internet, newspapers, magazines because of copy write laws.)

**6. Hand draw a map to your farm using black ink on white paper.** Be sure to identify streets, highways and nearby towns and show location of your farm on the map. Do not fold map.

**7. Provide written directions to your farm from the nearest major city.**

---

*(Continue on another sheet if more room is needed.)*

**8. You can have a picture page with up to 8 pictures.** A caption for each picture if desired should be included on the back of the picture. The pictures will not be returned. If you wish to divide the pictures into categories (i.e. Animals at the Farm, Family fun at the farm, etc.), put down the category on the back of each picture.

**9. I will use what you give me, interpret what I think you are trying to do and put it on your web site.** When done, this is the draft. It is very easy to change everything at this point. I will let you know the URL of your draft. You can advise me by email any desired changes.

**10. Please list below up to 15 key words someone may use in searching the web for your Christmas tree farm** (i.e. nearby towns, county, nearby lake, nearby river, previous name of farm, your last name etc.). This will not be visible on your web site but will be in the HTML code for the search engines to find at record.
